With a little help from our friends

Dear Friends,

During 2011, we supported dental clinics and took dental care and oral health education directly to thousands of children with the Tooth Taxi. We raised awareness of the oral health crisis in Oregon, while also advocating for community water fluoridation and more oral health education.

But, we didn't do it alone. Our Tooth Taxi team and many volunteers provided incredible service, compassionate care and endless smiles that remind us of what it means to be human, and that is why we are featuring them in this year's annual report.

We could not do this work without our staff, teachers, parents, community volunteers and many individuals and donors.

Our sincere thanks to all our friends for remaining committed with us to improving the oral health of Oregon's children.

Sincerely,

Dr. Rickland Asai

President of the DFO Board of Directors

OUR MISSION

Improving oral health
for Oregon's children

DFO board member, Amy Benson, RDH, has volunteered numerous times on the Tooth Taxi, traveling hundreds of miles from her home in Baker City to help children in need.

While at Freewater Elementary School in Milton-Freewater, Amy and the staff provided oral health education to 118 children, treated 41 students on the van and delivered \$15,590 in donated dental care.

The Tooth Tax

With a full-time dentist and staff, our state-of-the-art dental office on wheels takes free dental care and oral health education to thousands of underserved children in their schools across Oregon.

*Our sincere thanks
to our strategic partners,
OEA Choice Trust and ODS, for
their outstanding support of the program.*

COOS BAY

Dr. Teri Barichello, volunteer and Vice President of ODS, helped us serve 46 students and deliver \$19,849 in donated dental care to students at Blossom Gulch Elementary.

PRINEVILLE

Dr. Ben Crockett and his assistant Judy Sims traveled from Sisters to Crooked River Elementary School where they helped staff and volunteers treat 28 students and deliver \$12,866 in donated dental care.

Taking care to where it is needed most.

The Tooth Taxi took dental care and oral health education to children at 45 schools/communities throughout Oregon in 2011, helping to eliminate the financial, geographic and cultural barriers to care.

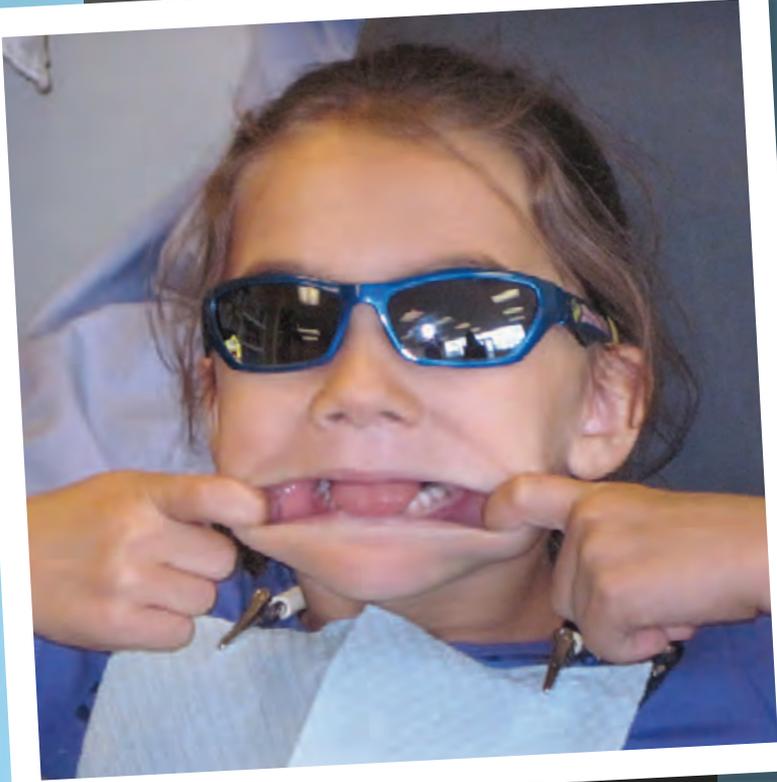

THE DALLES

Dr. Lynn Harris helped us provide over \$23,000 in donated dental care to over 38 students at Chenoweth Elementary School.

MILTON-FREEWATER

Dr. Todd Schroeder, dental assistant Monica Woodrow, and staff helped provide treatment to 41 students and delivered \$15,590 in free oral care.

Realities from the Road—Prineville

We treated a girl with an abscessed tooth whose mother was going to take her to a dentist, but had no idea how she was going to pay for it. She only had \$100 in her bank account. We prescribed antibiotics for the infection and treated the little girl two days later on the van. Her mother was so grateful and almost cried because the help was such a blessing.

Tooth Taxi Statistics

September 2008 - December 31, 2011

157 Schools/Sites Visited

10,662 Dental Screenings

9,414 In-Classroom Oral Health Education

4,374 Treated on Van

\$2,734,557 in Donated Dental Care

Cities Visited

September 2008 - December 31, 2011

Astoria	Falls City	Jewell	Portland

Dayton	Independence	Ontario	
Drain	Irrigon	Parkrose	
Estacada	Jefferson	Port Orford	

Dr. Thomas Wold, with office manager Pam Farley, assistant Michelle Cook, and Brianna Peter, RDH, helped out in Prineville at Crooked River Elementary School. With both chairs full, Brianna and Pam ran the hygiene station inside the school with our portable unit.

Dr. Wold and his staff helped deliver \$12,866 in donated dental care to students in this central Oregon community.

TOOTH TAXI

Dr. Jim Goertz and Elaine, his dental assistant and wife, are long-time volunteers on the Tooth Taxi. They trekked all the way from Canby through the snow to Gilchrist School in Klamath County with their son, Jake, who is interested in a career in dentistry, to help deliver nearly \$10,000 in free care to low-income children.

Tooth Taxi STAFF & PARTNERS

From left, Dental Assistant Catherine Johnson, EFDA, Tooth Taxi Dentist Jennifer McLeod, DMD, Dental Assistant Chanel Kim, and Program Manager Mary Daly.

And special thanks to our partners and friends from OEA Choice Trust, Holly Spruance and Lisa Mahoney, who connect us with schools, help with site coordination, and so much more.

These are the people who give up so much of their lives to help those who are less fortunate all over Oregon.

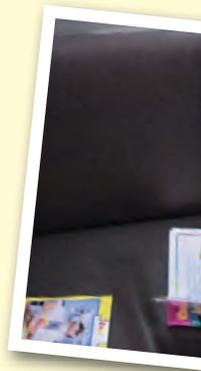

Tooth Taxi EDUCATION

Since prevention is such a key component of the Tooth Taxi, we provide classroom education to thousands of children and their teachers each year.

Since late 2008, we have provided oral health education to 9,414 students, and a few teachers who have said, "I didn't know that!"

Students receive oral hygiene kits which include a toothbrush, toothpaste, dental floss, and a brushing timer, as well as a Tooth Taxi bookmark with oral health tips. Children who get X-rays on the van are provided a printed copy to take home and show their parents—a great conversation starter about good oral health.

Tooth Taxi Assistant Chanel Kim provides in-classroom education to many schools we visit.

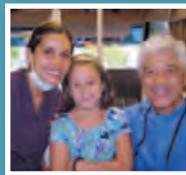

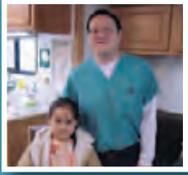

This means that thousands of kids who aren't seen on the Tooth Taxi still benefit from our visit.

Each school we visit receives a free Tooth Taxi Library Pack of four colorful children's books about oral health to use in the library and classroom. Teachers and students love them.

Our sincere thanks to the many dental professionals and community volunteers who helped us in 2011.

Since 1982, the Foundation has provided over one million dollars to support nonprofit dental programs and safety net clinics in Oregon.

2011 Recipients

- \$5,000 Assistance League of Eugene Children's Dental Clinic**
Operating support to provide free dental care to children K-12.
- \$5,000 Beaverton Rotary Dental Check/Aid Day**
Support dental screening, education and treatment for the Beaverton Rotary Dental Check/Dental Aid program.
- \$5,000 Dental Health Solutions for Children, Salem**
Supports the dental health and screening project at 46 elementary schools in 2011/2012.
- \$4,500 Deschutes County Healthy Beginnings, Bend**
Operating support for free screening and dental education for children and their families.

DFO GRANTS

\$2,000 Multnomah Dental Society, Portland

Support for their annual Children's Health Fair.

\$10,000 Oregon's Mission of Mercy (MOM), Portland

Operating support for the two-day clinic, and utilization of the Tooth Taxi to anchor the Kid Town pediatric dental area at the Oregon Convention Center.

\$10,000 Upstream Public Health, Portland

Funding to support public health dental initiatives that will improve oral health for Oregon children.

\$2,500 Virginia Garcia Memorial Health Center, Cornelius

Funding to support the OB Baby Dental Project which seeks to mitigate the serious health risks facing pregnant women suffering from periodontal disease.

Cornerstone Society

Our sincere thanks to these caring individuals who have remembered The Dental Foundation of Oregon in their estate plans. By joining the DFO Cornerstone Society, members are helping ensure a healthier future for thousands of underserved children in Oregon.
